github.com/LaggySon

Esports broadcast operations manager and producer. Ran broadcast operations for Tranquility Gaming in its final year: staff scheduling, broadcast packages, the in-house overlay tool and quality control. Credited on 103 broadcasts from 2021 to 2023 for Tranquility Gaming and the Electronic Gaming Federation, from weekly league nights to grand finals, across Overwatch, CS:GO, VALORANT, League of Legends, Rocket League, Teamfight Tactics and Apex Legends. Also builds web tools for live broadcasts.

## EXPERIENCE

### Tranquility Gaming

Mar 2021 – Dec 2023

Community Overwatch league with Discord, Harmony, Transcendence and Ascendant tiers, plus multi-game events.

#### Broadcast operations manager

Jan 2023 – Dec 2023

- Scheduled broadcast staff for the league's shows and events.
- Created the broadcast packages used on air.
- Created and developed the league's in-house web overlay tool.
- Ensured broadcast quality across the league's shows.

#### Broadcast producer and in-game observer

Mar 2021 – Dec 2023 · 92 credited broadcasts

- Produced 83 of 92 credited broadcasts across league Seasons 6 to 11: weekly matches in four skill tiers, knockouts, all-star nights and charity event weeks.
- Produced the Season 11 Playoffs Grand Finals (Discord and Ascendant tiers) and the Season 7 Harmony Grand Final; co-produced the Season 8 Discord and Season 9 Transcendence Grand Finals.
- In-game observer on 15 broadcasts, including the Season 8 Transcendence and Harmony Grand Finals, and was observer director for the Season 10 Transcendence Grand Final.
- Produced cross-game events: Tranquility x VALORANT, the Tranquility Triathlon (League of Legends, Rocket League), NACC Overwatch, League of Legends Clash Cups, Teamfight Tactics tournaments and Apex Legends PUGs.
- Ran shows with rotating crews of casters, observers and replay operators.

### Electronic Gaming Federation (EGF)

Oct 2021 – Mar 2023

North American organizing body for Division I collegiate and high school esports.

#### Broadcast producer, collegiate CS:GO

Oct 2021 – Mar 2023 · 11 credited broadcasts

- Produced 11 EGFC CS:GO broadcasts of Division I college matches (Villanova, DePaul, Siena, Marquette, UConn and others) in EGFC Seasons 3 and 4.
- Worked with casters VIKING, Los, Wearwolf, QDC and NerdsCorner.
